

# BECOME A PART OF MHS HISTORY!

## For \$500, you can leave your mark on the Jack Nicholson Theatre!

The MHS Alumni Foundation is offering the opportunity to "purchase" a new, high -end theater chair for the newly renovated Jack Nicholson Theatre. Your donation will purchase the new chair for the theater and come with a customizable dedication plaque mounted on the back of the seat with a phrase, name, class year, etc of your choice.

For more information, please see the school website regarding the phases of the theater project. We hope you take this opportunity to support MHS Arts Programs and their future generations of performers.
